

BILL AND LORE BLICKENSDORF and ANDY AND JAN KUKLOCK:

The Blinkensorfs and Kuklocks were nominated by Delores Kulpa. Mrs. Kulpa said these couples watch out for her all the time. They always help her when she needs help. They go out to dinner or lunch with her at times. They also make sure that the snow is removed in the winter and her grass is cut in the summer. They also clean her gutters and rake her leaves.

"I can't thank both families enough for being so kind and nice to me," said Mrs. Kulpa.
