

DAISY TROOP #30098 - OAKBROOK ELEMENTARY

Daisy Troop #30098 of Oakbrook Elementary, located at 12060 Greenway in Sterling Heights. This past summer, troop leader Heather Minano , along with eleven girls from the Daisy troop, purchased flats of geraniums and planted them in planters and surrounding pathways near the Upton House. Their beautification efforts were especially welcomed as they provided the only annual plantings this summer near this picturesque and historic building.

Members of Daisy Troop #30098 are always willing to perform good deeds for their community.
