

Jim Czapla (10-18-11)

Jim was nominated by his neighbor Coralita Murray. In her letter, Ms. Murray explains how Jim has helped out her family countless times.

"He has watched our dog countless times while we travel on vacation. He even shovels our snow while we are away. He has always assisted when asked to help hang pictures, move heavy equipment or furniture, car rides if needed, assistance in repairs of any kind in our house, the list can go on and on. Jim always has a smiling face and pleasant greeting for everyone on our street too. Best of all he is a good "Uncle" to our daughter without any blood ties. He is always been available to her too and celebrates her birthday, her accomplishments and remembers her during holidays of any kind."

Ms. Murray also stated in her nomination letter that "Jim is the best neighbor anyone could ever ask for."
