Or, during the regular consolidated planning process which provides for proper public noticing.

The Citizen Participation Plan and any proposed substantial amendments to the CPP will be made available for public review for a period of 30 calendar days prior to adoption by the City.

The CPP will be available for at least 30 days prior to adoption by City Council. The City will provide reasonable notice to the public via the City's website and postings within City Hall. Upon request, the plan will be presented in an accessible format to persons with disabilities.

DISASTER/EMERGENCY EVENTS THAT MAY REQUIRE EXPEDITED CITIZEN PARTICIPATION PLAN AMENDMENTS: It may be necessary to expedite amendments to the Citizen Participation Plan in the event of a declared disaster or emergency. There are three types of disasters/emergency events that may necessitate an expedited substantial amendment including (1) Man-Made-disasters, (2) Natural disasters, and (3) Terrorism. Man-made disasters can include chemical spills, mass rioting, power outages, plant explosions, etc. Natural disasters can include earthquakes, tsunamis, hurricanes, tornadoes, wild fires, flooding and public health issues such as wide-spread disease such as the recent coronavirus disease 2019 (COVID-19) etc. Terrorism events include bomb threats, biochemical attacks like the spread of anthrax, or cyberattacks like hacking,

phishing, and virus distribution, etc. Therefore, the City may provide a 5-day notice for public comments as allowed under the HUD waiver, and use the City website to satisfy this requirement. During times of a declared disaster or pandemic such as COVID19, in person public hearings will not be required.

Virtual public hearings are acceptable. Please be advised that if virtual hearings are used, real-time responses and accommodations for persons with disabilities and/or with limited English proficiency will be made available to the greatest extent possible. In addition, during times of a national disaster or pandemic, advertisements and public notices may be made solely on the City of Sterling Heights website.

2. Development of the Consolidated Plan/Annual Action Plan and the Assessment of Fair Housing

The policies and procedures in this Citizen Participation Plan relate to specific stages of action mandated by the United States Department of Housing and Urban Development (US HUD) and the entitlement program guidelines in the fair housing and consolidated planning processes.

3. Development of the Consolidated Plan and/or Annual Action Plan

The Con Plan is a strategic plan, effective for a 3-5 year period of time. As a part of the Macomb HOME Consortium the City is required to do a detailed analysis of housing and community development needs for its Jurisdiction. The Plan sets priority goals and objectives to guide the City during the effective time period of the plan.

The Annual Action Plan is a detailed plan, outlining actions, and activities to be undertaken during the coming fiscal year.

4. Consolidated Plan/Annual Action Plan

- A. Before adoption of the Consolidated Plan/AAP, the City will inform the public of the amount of assistance the City expects to receive. This notification will usually be contained in the Proposed Annual Action Plan (AAP) and Notice of Finding of No Significant Impact that is published in the local newspaper 30 days prior to the Mayor's submission of the application for federal assistance.
- B. The City will publish a summary of the proposed Consolidated Plan/AAP via the City's local newspaper. The published plan will contain the location(s) where the plan may be viewed in its entirety.
- C. There will be at least one public hearing to solicit citizen views on activities and to provide eligibility, funding and other information essential to inform the public about the development of the Consolidated Plan/AAP. A public hearing will be held at the time when interviews and presentations are being conducted by the CAC. This hearing is held the first Monday in December.
- D. City residents will be given notice of a 30-day period to comment on the proposed Consolidated Plan/AAP. This notice will be contained in the proposed Annual Action Plan as defined in (A) above.
- E. The City Council will be provided a summary of any comments or views of citizens received in writing or orally at public hearings. These comments may include the meeting minutes from the

CAC as they relate to selection of projects.

5. Criteria for amending the Consolidated Plan/Annual Action Plan

Substantial Amendments to the Consolidated Plan/AAP requires not less than a 30-day comment period from citizens. The City will provide reasonable notice via the local newspaper. A Substantial Amendment is one which increases or decreases the original allocation of any project over 35% within a given program year or eliminates any project in the first year of its original allocation. After the first year, a project may be eliminated without public comment if the original allocation is \$10,000 or less. Any proposed changes to the Consolidated Plan/AAP that does not meet the Substantial Amendment criteria may be made internally without public notification or comment.

All comments and views of citizens received in writing or orally will be attached to the Substantial Amendment of the Consolidated Plan/AAP in actual or summary form. In addition, an explanation will be included specifying the reason(s) why opposing comments or views to the Substantial Amendment was not accepted.

DISASTER/EMERGENCY EVENTS THAT MAY REQUIRE EXPEDITED SUBSTANTIAL AMENDMENTS: It may be necessary to expedite substantial amendments to the Consolidated Plan in the event of a declared disaster or emergency. There are three types of disasters/emergency events that may necessitate an expedited substantial amendment including (1) Man-Made-disasters, (2) Natural disasters, and (3) Terrorism. Man-made disasters can include chemical spills, mass rioting, power outages, plant explosions, etc. Natural disasters can include earthquakes, tsunamis, hurricanes, tornadoes, wild fires, flooding and public health issues such as wide-spread disease such as the recent coronavirus disease 2019 (COVID-19) etc. Terrorism events include bomb threats, biochemical attacks like the spread of anthrax, or cyberattacks like hacking, phishing, and virus distribution, etc. These expedited substantial amendments may include funding new activities and/or reprogramming of funds including cancelling activities to meet needs resulting from a declared disaster or emergency. Therefore, the City may utilize CDBG funds to meet these needs with a 5-day public comment period instead of a 30-day public comment period which is otherwise required for substantial amendments. For CDBG funding of the Coronavirus Aid Relief and Economic Security ACT or CARES Act, the City may provide 5-day notices for public comments as allowed under the HUD waiver, and notice may be posted on the City website.

During times of a declared disaster or pandemic such as COVID19, in person public hearings will not be required.

Virtual public hearings are acceptable. Please be advised that if virtual hearings are used, real-time responses and accommodations for persons with disabilities and/or with limited English proficiency will be made available to the greatest extent possible. In addition, during times of a national disaster or pandemic, advertisements and public notices may be made solely on the City of Sterling Heights website.

The City will make the HUD-data and any other data to be included in the AFH, available to the public and provide reasonable opportunities for public involvement during the development of the AFH and in the incorporation of the AFH into the Consolidated Plan and Annual Action Plan as described in this CPP. The data or links to the data will be posted on the City's website as soon as feasible after the start

of the public participation process.

7. Criteria for amending the AFH

The City will revise its previously accepted AFH under the following circumstances:

A material change is a change in circumstances in the City that affects the information on which the AFH is based to the extent that the analysis, the fair housing contributing factors, or the priorities and goals of the AFH no longer reflect actual circumstances. A material change includes, but is not limited to:

Presidentially declared disasters, under title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.), in the City that are of such a nature as to significantly impact the steps the City may need to take to affirmatively further fair housing; Significant demographic changes; new significant contributing factors in the City; and a civil rights finding, determination, settlement (including Voluntary Compliance Agreements), or court order. Or upon HUD's written notification specifying a material change that requires the revision.

the Public.

The City will hold a public hearing regarding the Annual Performance Report.

A public hearing will be conducted by the Citizens Advisory Committee in the interest of public accountability.

Public comments will be accepted during a fifteen (15) day comment period described in the public notice.

In preparing the City's Annual Performance Report for submission to HUD, careful consideration will be given to all comments and views expressed by the public, whether given as verbal comment at the public hearing or submitted in writing. The Annual Performance Report sent to HUD will have a "public comment" section that presents all comments and staff explanations.

The CAC will hold at least two public hearings per year to obtain citizen's views and to respond to proposals and questions. The hearings must address housing and community development needs, development of proposed activities, and review of program performance. At least one of these hearings must be held before the proposed Consolidated Plan is published for comment. The public hearing defined in subsection (4c) satisfies the requirements to obtain the views of citizens on housing and community development needs, including priority non-housing community development needs.

The City will publish a notice of public hearing in the local newspaper at least fourteen days prior to the public hearing.

Public hearings will be held at a place and time convenient to potential and actual beneficiaries and with accommodation for persons with disabilities. During times of a declared disaster or pandemic such as COVID19, in person public hearings will not be required.

Virtual public hearings are acceptable.
