

SITE PLAN

GENERAL NOTES

1. All construction shall conform to the current standards and specifications of the City of Sterling Heights.
2. The contractor shall notify "MISS DIG" at least three (3) working days prior to the start of construction.
3. The contractor shall notify the City of Sterling Heights Office of Engineering 48 hours prior to the start of construction of public utilities or construction in the street right-of-way.
4. Handicapped parking spaces shall be identified with the international symbol.
5. Access to a structure shall be provided for the physically handicapped.
6. Onsite parking shall be provided for construction workers.
7. An as-built reproducible mylar shall be submitted to the Office of Engineering prior to the issuance of an occupancy permit or release of builder's bond.
8. All on-site storage tanks, except those containing potable water, shall be provided with secondary containment equal to a minimum 110% of tank capacity.
9. All potential utility conflicts must be physically determined prior to the start of construction of utilities. An Engineering inspector must be present.
